

American Red Cross Support for ISBT 128

ISBT 128 Implementation Update—April 2006

This document is an update to the “Frequently Asked Questions-February 2006” document. Hospitals should use the table and chart below to plan for ISBT 128 label readiness. These are the dates by which hospitals in American Red Cross regions should be prepared to receive ISBT 128-labeled products.

Division	Earliest target date for hospitals to receive ISBT 128-labeled products
1. Atlantic & Puerto Rico	February 2007
2. West	March 2007
3. Northeast	March 2007
4. Southeast	May 2007
5. South Central	May 2007
6. Crossroads	September 2007
7. Ohio-Michigan	September 2007
8. Empire-Keystone	November 2007
9. Colonial	November 2007
10. Mid-America	January 2008
11. Western Frontier	January 2008
